The Honorable Phil Murphy
Office of the Governor
P.O. Box 001
Trenton, NJ 08625

Dear Governor Murphy;

At the December 3, 2018 Hackensack Meadowlands Municipal Committee meeting, Ridgefield presented a motion opposing the construction of the North Bergen Liberty Generating Power Plant which was seconded by South Hackensack. The motion was unanimously adopted by the following municipalities voting in the affirmative: Carlstadt, East Rutherford, Lyndhurst, Moonachie, North Arlington, Ridgefield, South Hackensack, and Teterboro with Secaucus being the only abstention.

Since the municipalities in the Meadowlands District are the communities most impacted by the proposed project, we urge your office to similarly oppose the construction of the North Bergen Liberty Generating Power Plant. Please contact my office with any questions.

Very truly yours,

Anthony R. Suarez, Mayor
Borough of Ridgefield
